Each additional	\$1476 (\$164 per mo)	\$1152 (\$128 per mo)

St. Paul has further financial assistance available based on financial need for K-8. Application for this assistance is made online at www.tuitionaid.com. Active members of St. Paul Lutheran Church pay a lower tuition rate due to their support of the church through their time, talents, tithes and offerings. The active member tuition rate only applies to members with church attendance of 60% or higher. The attendance percentage is determined every six months, January-June and July-December. Church attendance January-June determines the tuition rate for the following September-December payments while July-December determines the tuition rate for January-May. Only weekly Saturday and Sunday services are considered when calculating church attendance. Attendance is based on the parent's attendance recorded by attendance slips turned in by parents at worship services.
