Were you referred to St Paul Lutheran School by anyone? Yes No

If yes, please allow us to thank them by recognizing them _____

If a parent or the designated adult cannot be reached and school personnel conclude that the child is in need of immediate medical attention, the Rochelle Fire Dept. Ambulance will be called and the child will be transported to the Rochelle Hospital. A student who becomes ill or injured at school will not be treated or transported by the Rochelle Fire Dept. Ambulance without an effort to obtain parental permission. Please be advised that the rules of the Rochelle Fire Dept. Ambulance require that patients will be taken to Rochelle Hospital. At the Rochelle Hospital emergency room, the patient’s condition will be analyzed and stabilized and arrangements may be made by the parents to transport the patient to the hospital of their choice. If there are any questions, please contact the school

Please note:

As the parent, you are primarily responsible for administering medication to your child. However, we are aware that you cannot always do so and may wish to have the school personnel administer or supervise your child self-administering medication. To schools, a medication is any drug purchased over the counter (for example, Tylenol, cough syrup, cough drops), as well as those prescribed by a doctor. Our schools maintain no supply of medications.

Medications are to be supplied in an original container, be clearly marked with the students name and correct dosage. At school, medications will be stored in a locked cabinet and accessible only by school personnel. If a student is to have a medication on his/her person, such as an inhaler or epinephrine auto injector, there will need to be a doctor's order for this. Requests for medication administration are good for a school year only and must be renewed each school year.

MEDICATION PERMISSION SECTION:

I, the parent / guardian of this student, authorize St. Paul Lutheran School and its employees, in my behalf and stead, to administer or to allow my child to self-administer with supervision lawfully prescribed medication. I acknowledge that it may be necessary for the administration of medications to my child be performed by an individual other than the school nurse and specifically consent to such practice. I further acknowledge and agree that when the lawfully prescribed medication is so administered or attempted to be administered, I waive any claims that I might have against St. Paul Lutheran School and its employees, arising out of the administration of said medication. In addition, I agree to hold harmless and indemnify St. Paul Lutheran School and its employees, either jointly or severally, from and against any and all claims, damages, causes of action or injuries incurred or resulting from the administration or attempted administration of said medication(s).

St. Paul Lutheran School Family Notification Information

St. Paul Lutheran School is continuing to make advancements in our technology which include our online Sycamore Education System. Through this program we will be sending out emails and/or texts regarding various items including but not limited to; registration information and forms, billing information and reminders, any weather or emergency related announcements, PTL and school event updates.

When filling out this information please make sure you print clearly and the information is legible. We need to have at least one email and/or cell phone number on file in our system.

Keeping you informed is a top priority at St. Paul. That's why we will use the Blackboard Connect Notification Service which allows us to send a telephone, text, and/or email messages to you providing important information about school events or emergencies. We anticipate using Blackboard Connect to notify you of school delays or cancellations due to inclement weather, as well as remind you about various events, including open houses, choir singing, school auction, field trips and more. In the event of an emergency at school, you can have peace of mind knowing that you will be informed immediately.

What you need to know about receiving calls sent through Blackboard Connect Caller ID will display the school's main number when general announcement is delivered. Caller ID will display 411 if the message is a dire emergency. Blackboard Connect will leave a message on any answering machine or voicemail. If the Blackboard Connect message stops playing, press any key 1-9 and the message will replay from the beginning.

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please let us know immediately.

Note that the primary phone numbers will be called for standard and emergency calls; the emergency numbers will only be used in an emergency, and all will be dialed simultaneously. Thank you for your cooperation and if you have any questions, please don't hesitate to contact us.

Regards,
Steven L. Hall, Principal

St. Paul has further financial assistance available based on financial need for K-8. Application for this assistance is made online at www.tuitionaid.com. Active members of St. Paul Lutheran Church pay a lower tuition rate due to their support of the church through their time, talents, tithes and offerings. The active member tuition rate only applies to members with church attendance of 60% or higher. The attendance percentage is determined every six months, January-June and July-December. Church attendance January-June determines the tuition rate for the following September-December payments while July-December determines the tuition rate for January-May. Only weekly Saturday and Sunday services are considered when calculating church attendance. Attendance is based on the parent's attendance recorded by attendance slips turned in by parents at worship services.
